YMCA Kiddie Kare

The YMCA of Regina is proud to serve you, our members. In our efforts to ensure you have a quality experience at the YMCA, we introduce you to Kiddie Kare.

Kiddie Kare is a fun and safe environment where your child is cared for while you participate in the numerous programs offered at the YMCA.

Children have an opportunity to play, interact with other children, and work on art projects to display and take home.

Our Staff

Our Kiddie Kare staff team consists of individuals who are truly dedicated and committed to the growth of children through positive and creative play. Our staff are certified in CPR and First Aid. Each staff offer their own skills and experiences to our program which ensures we provide a diverse and interactive service for you and your child.

Health & Safety

Each child who comes to Kiddie Kare is important. In our effort to provide a safe environment, we follow a few simple guidelines.

- We wash all of our toys regularly
- We ask that any child(ren) with an infectious condition do not attend Kiddie Kare until the contagious stage has passed. Please insure our staff know if your child has been in contact with any virus that may spread to other children (example– Chicken Pox)
- We provide an advanced booking system that ensures low staff to child ratios
- We ask that each child bring a nutritional snack, free of any nuts.
- Please note that parents must remain in the facility while using Kiddie Kare.
